MILLENNIAL REIGN OF CHRIST

# Thy Kingdom Come

Dugkey

## DUAL DIMENSIONS

HEAVEN AND THE THOUGHTS OF THIS SPIRITUAL DIMENSION THAT MAN HAS NEVER SEEN HAS BEEN THE HOPE OF MILLIONS OF THOSE WHO HAVE PROFESSED THEIR FAITH IN CHRIST AND RIGHTLY SO. This book that I have been given a mandate to write is in no way removing the reality of heaven from the minds of believers nor is it intended to. **I believe in Heaven!** I believe in the beauty of Heaven! I believe that at this very moment the angels of God are enjoying that celestial dimension and I believe that it is more wonderful than the mind can conceive.

However, I believe that it is coming to earth rather than us going to Heaven. Can I prove this? Absolutely.

The scriptures never speak of nor focus on a place called Heaven as the goal and the destiny of mankind. Man was never created to have dominion over Heaven. The angels belong In heaven, man belongs on the earth and you will always be a man even when your born again and given your spiritual body; the only difference is you will be just like Christ. After Christ resurrection Peter still declares “*that man Jesus whom you have crucified*” Although Jesus will always be a man in form and structure we will no longer be flesh and blood men but rather men with totally spiritual compositions. With that said allow me to speak about the dimension of Heaven.

**Is Heaven a place?** Is Heaven a planet? Is Heaven a physical location or is it actually a dimension? I will argue in this book that Heaven is not a place but rather a dimension. If you don't get a correct understanding of your future and eternal destiny in the work of God then you will not have a true vision of the purpose of your earthly life.

Listen closely right now and tell me; Can you hear *Elvis Presley* singing “*Blue Suede Shoes*” at this very moment? Well, he is! Actually, all of his songs are playing all around you right now,;in another dimension or frequency.

Radio waves, television waves and internet signals; all of these unseen dimensions are just as real as the visible dimension. However, you cannot hear Elvis on the dimension that you are designed to live in. He is actually singing at a much higher frequency than you ears are tuned for. So, if you want to “bring down” or “manifest” his voice out of that higher dimension then you must have a transmitter that will actually translate the higher sound, the higher dimension and bring it to your dimension or your comprehension and understanding. This transmitter is called a radio, a television or a computer; all of those are what we refer to as mediums or vehicles of translation from one dimension to another.

The same truth applies to light. Light in it’s purest form is absolutely invisible. Your body is not made of matter it is actually made of light. For light to be manifested to the naked eye it must be transposed down to a lower light source such as the sun. This is the exact reason why that God created the light in the creation account four days before he created the Sun. Go read your Bible, that truth will stare at you like a blazing medallion in winter cold. Light was created before the Sun because light doesn’t need a source, it is the source of all things. This is why the scriptures tell us that God is light! The next time you visit your doctor for an X-ray, simply ask the technician to explain “invisible light” to you. The light of X-ray is brighter than you can comprehend and yet it’s invisible. For the invisible to become visible it needs a transmitter, a vehicle or a physical contact.

Yahweh is Spirit; Satan is Spirit; Angels are Spirit; Demons are Spirit; and they all live in the exact same location as you do but in

another dimension. Radio and Television waves are sharing the same air you breath but on a total different level of comprehension. God is not on a far off planet called Heaven but rather he is in another realm of existence; outside of time just as radio waves are outside of time. A voice never dies; when you speak a word, that word lives forever in other dimensions. I am told that scientist have proven that if you had the correct device that you could listen to conversations from thousands of years ago as those voices live perpetually in eternity as endless flowing waves of sound.

---

## THEOPHONIES

This is exactly how Yahweh has operated since the dawn of time. He uses a vehicle or a transmitter to “*come down*” to our level. That vehicle or transmitter is called a “*theophany*” or rather a “*temporary, non flesh-n-blood body.*” This is how Yahweh was able to appear to Abraham at his tent door or to Moses in a burning bush or to Jacob as an angel He in fact uses these vehicles to appear to our eyes. This is why many people become confused about the scriptures that says “***No man has ever seen God***” and yet we have many scripture that tells us that “*God appeared*” to certain people. You must understand the truths I’ve just taught you to understand that there is absolutely no conflict in these seemingly contradictory scriptures. No man has ever seen the Spiritual composition of God or for lack of a better phrase, the Spirit God! No man has ever seen the Eternal Yahweh in his essence of Spirit, in his true composition. However, many men have seen God in his *transmitters or vehicles* of “*temporary appearances*” this is the very reason that Jesus is called “***the express image of his person***” this is why Yahshua could say “***When you have seen me you have seen the father***” because until you become spirits in the resurrection it will be absolutely impossible to ever see Yahweh in his spiritual composition; so you must now see him in his physical composition or manifestation which Yahshua so perfectly was.

Is God a burning bush? No, but God can be seen in a burning bush. Is God a rock? No, but he was seen in a rock in the wilderness. Is God a pillar of fire or a cloud? No, but he was in all of those things. Is God an angel? No but God can be seen in an angel. Is God a man? No but God can be seen in a man such as Christ and his present day spiritually conceived sons if he so chooses to manifest in that theophany or temporary body or entity whatever form it might take.

---

## WHY EVEN CREATE AN EARTH?

If Yahweh has a better place than the earth; then why did He even create the earth? We are told that when He created this planet that the angels of Yahweh rejoiced at the wonder of it. Now, if they indeed live in a better place called Heaven and if that place is supposedly so much superior to this planet and if we are all wanting to escape this planet and go live over there in the supposedly better place; then what would they, the angels have been rejoicing so intently over at creation?

Wouldn't they rather have been a bit disappointed in such a place with less glory than the one they supposedly occupied? **The creation of Earth was simply the visible manifestation of the spiritual dimensions of God, called Heaven.** Earth was the tangible place where the spiritual place became visible. I will dare say that God is more interested in the earth than he is in a distant planet called Heaven. He is more interested in the galaxies of the universe than he is in a mystical place called Heaven. Heaven is his throne room, Heaven is his atmosphere or his dimension of existence. The earth is his footstool, the place where He reveals his thoughts. **His thoughts are in the Heavens, his actions are in the earth.** The throne room is where minds meet and decisions are made and plans are erected. However, the plans of the throne room must have feet, they must

have expression and those expressions are revealed in the populace of the kings kingdom. Heaven is the spiritual dimension of God, Satan, the Angels, the Demons and this is why Satan still has access to the Heavens until he is finally judged and bound because the Heavens is simply the dimension that he must exist in. However, in the book of Revelation at the last trumpet he will be cast down from this lofty dimensions and by some supernatural act of Yahweh, he will in fact be reduced to an existence of torment and that torment will be in his inability to have access to the heavenly dimensions.

Why has the Christian church been so focused on “*leaving this world*” and saying “*Goodbye world goodbye*” when this earth is our gift from Yahweh to us. Yahshua said that you and I are destined to “***inherit the earth***” no mention of Heaven is ever made from Christ concerning our eternal destination. Have no fear, I will prove all of this with the scriptures in this chapter. However, before you become convinced that I am teaching that there is no Heaven, your wrong!

It's not the idea of heaven that we have wrong, it's the location of heaven that we have misunderstood. You are not going anywhere! You are not “*flying away*” you are NOT going to say goodbye to this beautiful planet Earth; you are in fact going to rule this earth and possibly the entire universe of planets for the glory of God. This is the very reason why Yahshua said that he would “***judge those who have destroyed the earth***” because the earth is the ultimate of His creative exploits. (*Sidenote - we destroy the earth when we eat the unclean animals that were created to clean and preserve the delicate order of our planet*).

How could you ever find a place more beautiful than our home? Have you driven through her fields of golden grain lately while the evening sun kisses her hair? Have you sit atop the Smoky mountains in the sloping foothills of North Carolina and watched the beautiful and tantalizing displays of nature? Have you basked in the sights of the Alaskan northern lights with its alluring call on a blackened night?

Have you walked the winding country lanes on a Mississippi back road with the unorganized sprays of wildflowers and weeping willows dotting the path? Have you planted your feet into the cool, cascading waters of a spring fed stream lately? Maybe you should because you live on the most wonderful of all of God's creations.

Granted, man has destroyed much of her beauty, her streams, her oceans and her air and this is the very reason that Paul says that she is ***groaning and waiting to be delivered*** from this curse placed on her by mans sin. If the earth is to be destroyed and we're all going to be shipped away to Heaven on the galactic railway then why is Yahweh going to remove her curse as promised in the book of Revelation? Why make such a promise? Why not just leave her cursed if she's going to be destroyed and were all leaving? BECAUSE, SHE SHALL NEVER BE DESTROYED. Doesn't the scriptures say that "***The heavens and earth shall pass away?***" Yes, However, once I show you the original wording of those verses later in this chapter you will understand that it is another infamous KJV mistranslation; the earth is never going anywhere! Scriptures tell us that "***God established the earth forever.***"

Now, once you receive your new spiritual bodies; you will be able to operate in the heavenly dimension but you will be on the earth or somewhere in Gods physical universe. You will be able to manifest in a fleshly body if you need to just as Yahshua did when he ate with His disciples in His post resurrection body. It is not Yahweh's intention for man to be ruling and reigning in the spiritual dimension called Heaven; He and the angels have that part covered.

Remember when Jesus said that "***no man has ascended into heaven except the Son of Man who is in heaven?***" That scripture has baffled the minds of the church for years. Jesus was on the earth and yet he says that he was In Heaven at the same time he was on the earth?

Going into the heavenlies is definitely an ascending process but not with wings; rather with will! A will to obey God, an uplifted will caused by uplifted eyes; not to a higher place but to a higher position and a higher understanding and a higher calling. If I tell you that “*you need to quit standing on top of me*” does that mean you are literally on top of me? No, it means that your mind-set is above mine and you have risen to a higher place than me and you are using that to your advantage. We can all rise or ascend into the heavens even while on earth. Even Satan in his rebellion against God in the pre-genesis account understood that reaching the dimensions of God would require an ascendancy as he ascended and tried to reach the secret to Gods authority and power, the throne.

The throne is a symbol, please remember that. When we say that the Queen of England is reigning on her throne; truthfully she does not sit on a throne at all times. Her throne is her unseen power to rule. That unseen and unexplained essence of power and authority is represented by a symbol of a throne, a crown and a scepter. You and I ascend into that very dimension of the throne room when we become loyal subjects of the throne in our prayer life, in our mediation of the scriptures, in our good works, in our genuine and living faith. Yahshua taught us how to be on earth and in heaven at the same time.

Heaven is a mentality, its a mind set, it's a spiritual experience even while living in a physical world. One day when you have won the crown your body will line up with your thoughts and with your mind and they will both become one substance, spirit!

I can hear the thoughts of many right now as they begin thinking of all the scriptures that supposedly teach about a place called Heaven where we are all going to be taken to. Doesn't the scriptures teach ***“In my Fathers house are many mansion and I go away to prepare a place for you”***? Doesn't John describe a far off city with streets of Gold and gates of pearl? A short answer for both questions is NO!

This chapter will leave you with clarity of thought on both of those scriptural references shortly. I was listening one night to a world wide television evangelist who is known around the world for his funny antics behind the pulpit. I truly love this dear brother and enjoy his sermons at times. However, he said something that stirred up my spiritual mind. He was speaking of the so-called rapture and the catching away of the saints into heaven and he said these words “*Jesus told me that he’s just taking us to heaven for a supper and then he’s bringing us all back*” and I thought, really? So, if he’s bringing us all back then why take us in the first place? The truth is ladies and gentleman; He’s not taking you anywhere; He’s bringing all of His rewards with Him and those rewards are soon coming to a planet near you, a planet called earth; ***“Blessed are the meek for they shall inherit the earth.”***

If you have been able to hang on this long and if you have read this far, may I invite you to read the next chapter where I will show you in the scriptures exactly what this coming Heaven on earth will look like, oh the wonder of it! Before we began studying about this city called the *New Jerusalem* as mentioned in the book of Revelation and which has always been taught to be a description of the physical planet of Heaven; we must first dissect some of the words of Christ which has additionally been used to preached voluminous sermons about a distant place called Heaven that we are all escaping to. These words can be found in the book of St. John in chapter fourteen (14). From these verses many songs have been written and much poetry and prose has been scribed about those mansions in heaven. How our hearts have all longed for one of those mansions of our own where can all retire for eternity, sit back relax and listen to the songbirds of heaven singing from our front porches. The fantasy as you will soon discover in the next chapter is really not as wonderful as the actual reality. However before we can discover just how wonderful tomorrows world is going to be from the scriptures we must first find out what Jesus was talking about when speaking of those mansions.

---

## THOSE MANSIONS OF MYSTERY

Did Jesus truly say that in his “*fathers house were many mansions*”? No, he did not! Thankfully the majority of modern translations of the Bible has recognized this grievous errors by the KJV translators and have corrected this verse to it’s original intent and wording. Much damage has been done to our thinking about Heaven because of this mistranslated verse and completely misinterpreted chapter. St. John chapter fourteen (14) as you will soon discover has absolutely nothing to do with the subject of Heaven. With proper exegesis of scripture, context and spiritual revelation you will see a wonderful truth that has nothing to do with a future home in the sky. Let’s begin;

### ***St. John 14:2***

***In my Father’s house are many mansions: if it were not so I would have told you. I go to prepare a place for you. I will come again and receive you unto myself that where I am there you may be also.***

Again as always we must find the context of this teaching. Always remember that the original scriptures had no chapters and verses, it was one continuous scroll without divisions. Many time the divisions of verses and chapters causes us to not read the entire settings and that’s how we come up with wrong understanding. So, let’s go back one chapter and see exactly what is taking place in this story. In the preceding chapter Jesus is basically giving his farewell sermon to some very sad disciples. The setting is gloomy, mournful, confusing and they are pretty much without hope. Jesus came and turned their worlds upside down; he was supposed to set up an earthly kingdom and they were gonna be mighty rulers with him and now all their hopes are dashed as he is talking about dying and leaving them. Simon Peter ask Jesus “*Where are you going, we want to follow you to*

*that place.*” With that question Jesus is now going to explain to them the baptism of the Holy Spirit and the purpose for that baptism that they shall soon receive after His resurrection. This sermon he is giving here has nothing to do with Heaven; it has to do with the *Apostolic Church of God* and that church becoming the House of God and in all actuality the very dwelling place of God. Remember this; up until this point Jesus Christ was the only member of God’s house or family; he was the only one that God himself dwelled in fully. Jesus Christ was the firstfruit, the fist begotten son but not the ONLY son; he was the only begotten son at that point in time. However, Jesus is about to teach them about a future point in time when he will return to them and they shall be conceived with the same seed that he had in him and they too shall become the dwelling place, the house or the family of God, spiritually conceived sons, yet unborn.

Jesus tells Simon Peter in chapter thirteen (13) and verse thirty-six (36); *Where I am going, you cannot go the moment I go, you cannot go with me. I must be the sheaf of the firstfruit, I must go first as the sin offering and when I am accepted of my Father then I will come back to you at Pentecost and I will be in you (receive you unto me) and you shall be in me and together we shall be in the same place, in heavenly places together until such a time that you are changed and can join me there in your bodies.* Now let’s read Jesus words again and see exactly what he was saying.

### ***IN MY FATHERS HOUSE; vs2***

Have you ever heard of the *House of Windsor* or the *House of Tudor* or the *House of Kennedy*? These are living houses, not houses of stone and clay. The word “House” is the synonym of family. So, Jesus was actually saying “*in the family of God, the family of my Father*”

### ***THERE ARE MANY MANSIONS; vs2***

The word “*mansion*” was never uttered by Jesus, this is a gross mis-translation of the scriptures. In the original Greek language you will

find the word used by Jesus was the word “*dwelling*” not the word “*mansion*”. Jesus said in his original language “*In the family of God or the God Family there are many places for him to dwell or inhabit or live*”

### ***I GO TO PREPARE A PLACE FOR YOU; vs3***

Jesus was the pioneer, the first to go to the Father and there was a purpose for his going; to reconcile man to God and in doing so allow God to once again dwell with his creation through the ministry of the Holy Spirit or the Spirit of Christ. Jesus had to go first and be accepted as the firstfruit sin offering and then he could return in the upper room and become one with the Apostles and receive them unto himself. His entire purpose in life was to open the doors to God's eternal life to men.

### ***WHERE I AM THERE YOU MAY BE ALSO***

**vs3**

Where is Jesus? Sitting in heavenly places, in the bosom of his Father. Are you not now in that same exact place with Christ? So because he went to the Father you now have access to the Father and of a truth, where he is , there you are also!

### ***WHERE I GO YOU KNOW AND THE WAY YOU KNOW***

**vs4**

Jesus is not telling them about a location he's telling them about God, the great Spirit God, Yahweh. He's telling them that he is going to or returning to God and that the way to get to God is by faith and obedience, that's the way. He wasn't telling them “the way” as in giving directions; turn left and go straight. No he was telling them; “*I AM the way!*” Believe upon me, do what I did, imitate me and live my life and in doing so that is THE WAY to return to God. “*I lived that life*” he said, “*I obeyed his commands now you can forsake your sins, your transgressions of his laws and do the exact same thing, that's THE WAY to where I am going. I am going into the favor of the Father and because I have done this you can also; and my Father will come and make his*

*dwelling in you just as he did in me. There are many people or dwelling places in his family and you can now be one of them.”*

***THOMAS SAID; HOW CAN WE KNOW THE WAY AND JESUS SAID UNTO HIM; I AM THE WAY, THE TRUTH AND THE LIFE; NO MAN CAN COME UNTO ME BUT BY ME***

**vs 5-6**

Please note very carefully how the tone of this chapter is all about coming into fellowship with the Father, there is not one mention of a place called Heaven in this chapter. What we have here is Jesus bringing us into the family of God and conceived children who shall soon follow him into the same position as Sons of God.

***HAVE I BEEN SO LONG WITH YOU AND YET HAST THOU NOT KNOW ME . . .HE THAT HATH SEEN ME HAS SEEN THE FATHER***

**vs9**

Jesus is continuing to teach them about connecting with his Father and finding their place in that family of God or in the God family. Here again he is stating that currently he was the only dwelling place of God in the family of God. However, soon he says that there will be many dwelling places (not mansions) but dwelling places. The Apostles would soon be the dwelling place of God, so would the *Apostolic Church of God* and all the members thereof.

***BELIEVEST THOU NOT THAT I AM IN THE FATHER AND THE FATHER IS IN ME***

**vs10**

Are you beginning to see dear reader? Jesus is again speaking in this verse about dwelling places, habitations for God to dwell in. Jesus is saying plainly and clearly so there can no argument about it; at that point in time the Father dwelt in him alone. He was the first MANSION in the Father's family, the first clean house for God to dwell in. However, in those whom God is calling he shall also take his abode

and make his dwelling place in many people or many mansions!

***THE FATHER THAT DWELLETH IN ME HE DOES THE  
WORKS***

**vs10**

Again, Jesus was declaring that he alone was the dwelling place of God, the Father dwelled in him. However, because of his life and sacrifice the dream of God would soon come to pass at Pentecost, God would have many dwelling places and many new members on His *Dream Team*.

***HE THAT BELIEVETH ON ME, THE WORKS THAT I DO  
SHALL HE DO ALSO; AND GREATER THAN THESE SHALL  
HE DO BECAUSE I GO TO MY FATHER***

**vs12**

Jesus shows us the purpose of his leaving the earth. While he was here, he did wonderful works. However, those works were limited to the time and the space that he as one man could cover. However, very soon God's Dream Team would be enlarges, the Father House would have many mansions or dwelling places over all the earth and the works that Jesus did would be multiplied by the millions as those called in the church age would soon be doing the good works of Christ, keeping Gods laws, loving people, helping the hurting, healing the sick and declaring the good news of the Coming Kingdom of God. It should be noted here that when Jesus said "greater works than these shall ye do" the word WORKS was not in the original, it was added. The truth is that no one can do any greater works than Jesus did. He simply meant that his works would be done on a greater scale, a larger scale with a family of God doing those works rather than just one son doing them in one location.

***IF YOU LOVE ME KEEP MY  
COMMANDMENTS***

Now, the works that he was speaking of is clearly given to us in this verse. Unfortunately as a Pentecostal all of my life we used this scripture as evidence that we would be doing the same miracles and have the same power that he had. However, what he means by “*greater works than these shall ye do*” was the works of keeping God’s commandments. How people long to have the power of God without keeping the works of God. Jesus is telling his disciples which works to keep; My Commandments.

***AND I WILL PRAY THE FATHER AND HE WILL SEND YOU ANOTHER COMFORTER THAT HE MAY ABIDE WITH YOU FOREVER; vs16***

By now your eyes should be clearly open to the meaning of this chapter; the announcing of the Holy Spirit not a place called Heaven. Jesus says to them; if you will do my works and keep my commandments then God will fill you with the Holy Spirit, he will conceive in you a seed and in that seed is the potential for eternal life. He will come and dwell with you, you will be one of his mansions.

***FOR THE SPIRIT OF TRUTH HE DWELLETH WITH YOU AND SHALL SOON BE IN YOU; vs17***

Anyone who doesn’t understand that the Spirit of Christ is the Holy Spirit evidently has never read this verse. Jesus said that at that moment the Holy Spirit was walking WITH THEM but would soon be IN THEM.

Again, this entire sermon is about the coming of the Holy Spirit not about a place called Heaven.

***I WILL NOT LEAVE YOU COMFORTLESS I WILL COME TO YOU vs18***

Who is coming to the disciples? Jesus is! He is coming in his spiritual form. If you think that the Holy Spirit is a third person of a Godhead rather than Jesus Christ himself then you should study the subject for a clearer understanding of the scriptures.

***AT THAT DAY YOU SHALL KNOW THAT I AM IN MY FATHER AND YOU ARE IN ME AND I IN YOU***

**vs20**

Who shall be in you? Another person beside Christ, a third person? Absolutely not but Christ himself shall be in you. The Spirit of Christ is the Holy Spirit. The Holy Spirit dwelled in Christ and we know from the scriptures that God was In Christ, so at the end of the day the Holy Spirit is the Spirit of God that was in Christ and now lives in you and because of this Spirit you are now one of the many mansions or dwelling places in the family of God or the God family.

***HE THAT KEEPETH THE COMMANDMENTS, ONLY THAT PERSON LOVES ME AND THAT PERSON SHALL BE LOVED OF MY FATHER AND I WILL LOVE HIM AND REVEAL MYSELF TO HIM***

**vs 21**

How Jesus loves the commandment keepers and he promises to reveal who he is unto them by the infilling of the Holy Spirit.

***IF A MAN LOVES ME HE WILL KEEP MY COMMANDMENTS AND MY FATHER WILL LOVE HIM AND WE WILL COME TO HIM AND MAKE OUR DWELLING WITH HIM***

As we close this expose of John chapter 14; do you see once again the word dwelling in this scripture? Jesus closes this sermon with the same thought about the coming of the Spirit to dwell in many mansions or many people in his family on earth.

I hope that by now it has been made abundantly clear to you that Jesus never one time preached about mansions in Heaven. He never promised to bring us to Heaven. You should be so thankful that God is revealing these truths to you. I realize that I could present a million scriptural proofs and it will never be enough to convince the one who prefers tradition over instead of truth.

What about those streets of God? What about the gates of pearl? Doesn't the Bible teach about the place called Heaven that we are flying away to? Actually it does not. However before we get to the next chapter where I can explain to you the beauty of God's real Heaven on earth let me first explain to you the meanings of the picture of Heaven that we have always held in our minds. Let us turn now to the book of Revelation and study on the New Jerusalem; I believe that your eyes will soon open and you will be blessed beyond measure by this wonderful truth; it's much greater than the traditional man-made fantasy.

---

## THE NEW JERUSALEM

*Rev 21:2*

*And I John saw the holy city, New Jerusalem coming down from God out of heaven prepared as a bride adorned for her husband.*

Do you believe that this chapter where this city of Jerusalem is being described is in fact the literal planet of Heaven? If you do, don't feel bad; I felt the same way for nearly forty years of my life. I loved to preach about those golden streets and gates of pearl, oh how it endeared the heart and made glad the soul. However, I soon realized that all upcoming vacations to places like Maui, Disney World, the Smoky Mountains and various other places did the exact same thing; they provided emotional responses from the carnal mind. The same is true about our understanding of Heaven. The truth is this chapter is not describing a literal city! It is describing a people! Before I explain that you from the scriptures why don't you read this chapter very closely and you will see even in verse two (2) that this New Jerusalem is coming down to the earth! There is no one going up to New Jerusalem, it is in fact headed towards the earth. Why? Because all of Gods

plans for man are centered upon the earth, why is that so foreign to our minds? Also before we proceed please note the context that this entire chapter begins with “The Bride of Christ.” Beginning even in verse two we are being given hints as to this upcoming revelation of truth.

Never forget that this book of Revelation was never written for the world, it was written for and to The Overcomers, the Bride of Christ, the bondservants of Jesus Christ. Therefore it is written in symbols and coded in idealisms and metaphors. Without a spiritual mind to “*hear what the Spirit is actually saying to the Church*” you will make the same mistake of the carnal mind and read these pages as a carnal person reads a novel, at face value. However, these symbols in the Book of Revelation interpret themselves and need no private interpretation. Every symbol, their meanings are given to those who will simply take the time to find them. If we can read this book at face value then there would be no need to “*hear what the Spirit is saying.*” There is a message beyond the message, there is a meaning beyond the meaning and it is your job to find it. For example; When John sees “*A lamb standing on Mt. Zion*” the carnal mind accepts that and keeps reading. However, the spiritual mind sees the Lord Jesus Christ, not a four legged lamb also we don’t see a literal mountain; why? Because we know from the Word that mountains are always symbols for kingdoms and governments. Therefore, this lamb standing on the mountain is our King, the Lord Jesus Christ standing amidst the 144,000 other lambs, His government His Dream Team, His ruling and royal family that follows him wherever he goes; the ones who have kept his testimony and his commandments.

***Rev 21:3***

***Behold the tabernacle of God is with men; and he will dwell with them; and they shall be his people and God himself shall be with them and be their God.***

Where is the dwelling place of God going to be when this age ends? With men! Where do men live? On the earth. He will be their God on earth, not in Heaven! Is that not as plain as the nose on your face? God shall come to man; man is not going to God.

**Rev 21: 4**

***. . .and God shall wipe away all tears and there shall be no more death, neither sorrow nor crying, there shall be no more pain for the former things have passed away . . .He that sat upon the throne Behold I make all things new. . . It is done!***

Did you notice that set of scriptures? When God comes to earth what does he do when he dwells with men? He sets everything right that was wrong under Satan's government. He wipes away tears, pain, death, sorrow, hunger and fills the earth with righteousness. He actually makes all things new! New, just like it was in the garden of Eden. Also of special importance is verse six (6) where he declares "***it is done.***" What does that mean? That means that the seven (7) days have ended! The week is over and now time is no more! The time table of God is over and eternity has begun. The work and the plan of the ages has ended exactly as God said it would. Satan is defeated and Jesus is Lord over all the earth. This is the very reason why so few people understand my meaning of speaking against "*the finished work of the cross*" message; I do that because the work was not finished at the cross! It is finished at the end of the seventh day at the end of the Lords Day. What was finished at the cross you ask? The suffering was over but the work still had two more days to go. However in this verse that we just read the entire week has ended, it is done!

**Rev 21: 6b**

***I will give unto him that is athirst of the fountain of water of life freely.***

Now we have stumbled upon a great and mysterious scripture that I will not be able to deal with until the last chapter of this book. How-

ever, suffice it to say that God is not through giving salvation when this church age has ended! If He is then how is He going to do it after “*It is done*” and the end has come? The only thing left to take place when He comes to earth after the millennium is the “Great White Throne” judgement where all the dead shall be raised . . . is it possible that at that point all of those who never had a chance at salvation will receive the chance then? According to the above verse, that’s a fact. I will explain that entire process in the last chapter of my book entitled “The Feast of Israel” a most compelling chapter where the entire plan of the ages will be revealed as crystal before your eyes.

***Rev 21:7***

***He that overcometh shall inherit everything.***

The context is again made clear this verse. This whole chapter is to and about the overcoming Bride of Christ who has overcome in this mortal lifetime and counted worthy to rule and reign with Christ. What are the overcomers to inherit? Simply remember the words of Christ to find out “***Blessed are the meek for they shall inherit the earth***” Who are the meek? The Overcoming Bride, and what is she going to inherit? Why beloved, it’s the Earth, not Heaven! However, it’s safe to say that you will inherit a heavenly existence if you realize that heaven is simply a re-created earth! So as we begin diving into the depths of this chapter, keep in mind who this chapter is about; these Overcomers, the collective Bride!

Now, if you’ll pardon a non-sequitar I’m going to skip ahead a few verses to make a point and then I’ll come back to the order of sequence.

***Rev 21:10***

***And he carried me away in the spirit to a great and high mountain and shewed me that great city, the holy Jerusalem descending out of heaven from God.***

In every debate that I have been invited to about this subject, all of the opponents go straight to this verse to prove that Heaven is a literal city or planet. They go on to read all the following verses that describes the beauty of this literal planet. Although I will never understand why they don't point out that if this is a literal city; it is still coming down from Heaven to the earth. However, I will digress and get back to the point at hand. So, do you believe that this is a literal city? Let's find out by using that amazing Bible study principle of; Context! Surely you must agree that up until this verse we have been reading about a people, a group of overcomers that God is now dwelling in. So, is it probable that John is going to completely change the subject in midstream? Actually John makes it abundantly clear what these symbols he's about to see in a spiritual vision actually represents. He will tell you in his own words who this New Jerusalem is, this great city; he does that in verse nine (9) the verse immediately preceding this current verse that we are studying, verse ten (10)

***Rev 21: 9***

***...Come up higher and I will shew you THE BRIDE, the Lamb's wife.***

Could anything be any clearer and explained in more detail than this? Does John leave any doubt in anyone's mind what these symbols are indicative of? He says plainly that he has been talking about the Bride in previous verses and now he's going to describe to you the allegorical symbols of the Bride herself. What did Jesus say he would do with his church? He said he would "build" his church. He was a carpenter and understand architect and indeed this is exactly what he has done in this vision, He has built His church and that building is glorious beyond compare. John plainly states that the Angel of the Lord said to him "*Let me show you the Church of Jesus Christ*" that great city, the building of God that he built through the seven (7) days of time; beginning with the Prophets and ending it with the Apostles.

Does the scriptures identify this great city that John saw? It does and it does so perfectly!

***Hebrews 12:22 & 23***

***But ye are come unto Mt Zion and unto THE CITY of the living God, the heavenly Jerusalem and to an innumerable company of angels. . . to the general assembly and the church of the firstborn, which are written in heaven and to God the judge of all and to the spirits of just men made perfect.***

Wow would be a proper word right now! What city did John say he saw? The New Jerusalem or in other words as Paul wrote, the Spiritual Jerusalem. We already have the natural Jerusalem but we also have the spiritual or new Jerusalem. Who is considered that great city? The Church of God, she is Mt. Zion, she is New Jerusalem, she is The New Temple, the New City, the New Name, the New Stones and John is seeing the beauty of Gods building in symbology. The meaning of each of those symbols shall soon be abundantly clear to your converted mind. Would you like more scriptural proof that New Jerusalem is the Church of God?

***Galatians 4:24-26***

***Which things are an allegory!*** (for those who dont believe in allegorical interpretation, even the apostles understood the allegories of scripture)

***Which things are an allegory*** (a word picture) ***for these are the two covenants, the one from Mt. Sanai . . . For this Hagar is Mt. Sanai which answereth to Jerusalem which now is . . . Jerusalem which is above is free, which is the mother of us all***

Did the writer just tell us that spiritual or new Jerusalem . . . now is? Beloved if you are an overcomer and if your being converted in this life then you are a proud member of that New Jerusalem church which now is. It doesn't say "shall be" but rather the New Jerusalem is in the spiritual realms right now and we are working on the earth

or coming “down from the spiritual” as we work in our mortal bodies on this earth for the purposes of God. So when John sees the Church coming down from heaven to the earth what is he seeing? He is seeing a people who have been tried in the fire and they live in the spirit and they “*come down from those heavenly places*” to work among and serve humanity. Just as Jesus came down from heaven and worked among men. Just as Jesus was in heaven even while he was on earth, so are you and I in the spirit at all times while coming down and working the works of Christ on earth. Oh the riches of his wisdom!

***Rev 21:11***

***Having the glory of God and her light was like unto a stone most precious, even like a jasper stone, clear as crystal.***

It wouldn't hurt to notice his referencing this supposed literal city with the pronoun of “her.” If this is a neutral and natural city shouldn't the pronoun be “it.” However, this truly is a “she” it's the Bride of Christ, the *Apostolic Church of God*. Notice she has the glory of God. This again proves that this is the bride and not a city. We find scriptural references in Romans 8:18 about the “***glory that shall be revealed in us***” after we have endured the ministry of Satan, been tried in the fire and been found worthy of the government of God. This bride that John saw was filled with the glory that was promised unto her. I Corinthians 11:7 also shows us more context; Here the woman is mentioned as being the “*glory of the man*”. Paul is teaching about the woman's need to walk in submission to her husband and thus the reason why she shouldn't have short hair because it's a symbol of that submission. He goes on to teach that in that submission she is literally giving glory or honour to her husband in that physical symbol and in giving glory to her husband she is automatically giving glory to his head which is Christ. So with that understanding we know that brides literally walk in the glory of their husbands. Here, the Bride of Christ is walking in the “glory of God, her husband”. Of course because of that, her light, her testimony, her example is

now going to shine throughout the whole earth. When seeing another vision of the bride in Revelation 12:1, John sees her as a woman clothed with the sun, so again more scriptural proof that this is the bride of Christ and not a literal city. Jesus said of his church that we were the lights of the world. John now sees that aspect of Gods church in this vision.

***Rev 21:12***

***And had a great wall and high, and had twelve gates, and at the gates twelve angels, and names written thereon, which are the names of the twelve tribes of the children of Israel.***

What is this wall that John is seeing, what does this symbol represent in Gods church? Christ is a builder and He builds His church and protects His church. A wall is protection, a wall is security, a wall is a promise of safety. Jesus Christ is the wall of his church. He has given us His protection and His safety. Notice his words in Matt 16:18 ***“I will build my Church and the gates of hell shall not prevail against it”*** Nothing shall overcome my church, she is safe from even death. In symbol John is seeing a fortified city of refuge.

***Isaiah 49:16***

***I have graven thee upon the palms of my hands, your walls are continually before me.***

Just as natural Jerusalem has walls that Isaiah is referencing here, so the spiritual or new Jerusalem has walls. He is our strong tower, he is our refuge and our strength.

**TWELVE GATES,**

John keeps seeing Gods numerology in this vision, that divine number of twelve. Twelve is the number of Divine Government, it indicates that everything is under perfect order and controlled by God. Twelve is the doubling of six and six is the number of man. Twelve

tells us that God has man under his sovereign control and care. There is a reason that He created twelve zodiacal houses to rule the natural heavens. There is a reason that twenty-four elders sit before him (*12 Patriarchs from the Old Covenant and 12 Apostles from the New Covenant*) There is a reason he chose twelve tribes of Israel and twelve Apostles. Twelve is divine in its origin and here John the revelator sees twelve gates into the body of Christ. What is a gate? An entrance, you can't get in any other way than through the gate. The only entrance into the kingdom of God is through these twelve gates. Verse 27 of this same chapter tells us about a group that "in no wise enter" into this kingdom. It is those who never bowed down in obedience, they never came under the government of twelve. Notice in Matthew 16:19, He gave the Apostles keys to the kingdom, how many apostles? Twelve! Their message, their gospel is the only entrance, it is the twelve entrances into the kingdom of God. They alone have the keys to the gates of the city. If you believe and live their message in its entirety then you can indeed walk through the gate, they will open for you because you too will have the key to enter the resurrection power needed to enter into his Kingdom! The Apostles and their doctrine are opening and closing this kingdom to any man who comes. You must enter into God's bride through their authority and their message.

### **TWELVE ANGELS**

Who are these twelve angels at the gates? What is an angel? A Messenger. These are not heavenly angels, these are the very same ones who hold the keys to the gates, the original messengers to the church, the Apostles.

### **TWELVE TRIBES**

Allow the forthcoming scripture from the gospels to prove to you just who these angels are at the twelve gates with the twelve keys. These twelve Apostles were not sent to the gentiles, they were sent to "the lost sheep of the house of Israel" God called Paul to the gentiles primarily.

**Luke 22: 29**

*(speaking to the Apostles) That you may eat and drink at my table in my kingdom and sit on thrones judging the twelve tribes of Israel*

If you don't understand who these twelve tribes of Israel are that these Apostles will be ruling over in the coming kingdom then you have been robbed of a great insight.<sup>1</sup> You must find out who these twelve tribes really are. For those who think that Israel is just the Jews, you are mistaken. The Jews have natural, full blood brothers that have completely lost their identity among the nations of the world. These Apostles will be ruling over the twelve tribes of Israel which includes natural Israel and the "grafted in" Israel, the Church of God. So, the fact that John sees, twelve gates, twelve angels and twelve tribes means that he sees one church made up of all the tribes of Israel; all in one city behind one wall and governed by the gospel of the Apostles. Notice the names written on these twelve gates, it's the names of the tribes of Israel. What does this prove to us? This City is Israel, the Church of God, it's so plain that God wrote their names on the gates in this vision to make it plain to us who this is.

**Rev 21:14**

*And the wall of the city had twelve foundations and in them the names of the twelve apostles of the Lamb.*

Upon what foundation is the Apostolic Church of God built upon? Beloved, the foundation of the Apostles. In this verse who names are in the very foundation of this vision? Does this not show you how perfectly this vision is of the Church of Jesus Christ and not a literal, physical city? The foundation of the church Paul said is built upon the Apostles and the Prophets. Jesus Christ is not the foundation of the church, he's the cornerstone that ties the foundation together. He takes the twelve representatives of the Old Covenant and the Old

1 *You may request my book: America and Great Britain in prophecy*

Church in the wilderness and he ties them together with the twelve representatives of the New Church and the New Covenant and he stands between them both and causes them to fit into a perfect foundation. His church is built upon the cooperation between the two witnesses, both the old and the new testaments or covenants. By taking twelve from the Old Covenant and twelve from the New Covenant he now has twenty-four elders who represent the churches of both covenants who have now been included in one number, the number 24. To prove this simply add those two numbers together, 2 + 4 and you once again come up with six (6) which is the number of man. Gods church in both Covenants is a church of men, governed by men, served by men and filled with men or mankind.

***Rev 21:15***

***And he that talked with me had a golden reed to measure the city and the gates thereof and the wall thereof.***

Now we come to one of the most amazing aspects of this entire vision. The measurements mentioned in these two verses are skipped over so easily by the casual reader but contained in these measurements are more of the perfect workings of God in his symbols, patterns and in his numbers. First you will notice that this city lieth foursquare; in other words this church is built from the North, South, East and West. She is made up of men from all four corners of the earth, she is a foursquare church. She is perfectly square, she measures up to the "full stature of Christ" she measures up to the foundation and the walls. She is lining up perfectly with the Apostles and Prophets and with the cornerstone, her Lord Jesus Christ. Judgement or Inspection begins in the family of God. There is a measuring that is taking place in each of our lives to see whether or not we are growing up into Christ as Paul tells us we must do. Are we becoming so much like him that the foundations are measuring up with the walls, our life is measuring up with his life, our ways are measuring up with his ways. Indeed before you will receive any rewards in Gods kingdom

there will be a mighty measuring. There will be an inspection of your works, your actions and every idle word spoken by you. As you increase in your measure, you increase in your authority in the kingdom of God.

**Rev 21:16**

***And the city lieth foursquare and the length is as large as the breadth: and he measured the city with the reed, twelve thousand furlongs. The length and the breadth and the height of it are equal.***

Please take special note as to the measurement of this bride. Her height, her breadth and her width are equal. Plainly spoken, her faith and her works match up. She is not out of balance in any of her doctrines. She is perfectly rounded. Her faith is just as important to her as her works and her works are just as important as her faith. She is walking in a scriptural balance and as a result please notice her exact measurement, 12,000 furlongs. Do you see anything familiar in that number? Oh I do, I see that divine number of twelve again. This is a church that has equaled out not only her faith and works but also her carnal and spiritual nature. Absolutely, she has mastered the flesh and come under the complete governance of the number twelve so much that is now identified as being in the measurement of 12. Not only is she measured as twelve but 12,000 which is 12 with a multiple of 3 10's.  $10 \times 10 \times 10$  is 1,000 so now we have a fully God governed church who has also been measured with the number 3 which is the number of the Spirit while 4 is the number of carnality. In all of God's workings he never works in 4's. The number four always represents the worldly mind-set, the thinking of carnal knowledge and understanding, the ways of the mind. When you recognize that 4 multiplied by 3 equals 12 then you will understand that when the carnal number of 4 is overpowered by 3 then you have a fully conquered church, conquered by the spiritual mind rather than the carnal mind and this is why this church is measured not only with 12 but also with 3 zeros, she has measured up to the mind of the Spirit of God.

**Rev 21:17**

***And he measured the wall thereof, a hundred and forty four cubits, according to the measure of the man that is the measure of the angel.***

I'll not be ashamed to tell you; when the Holy Spirit of God gave me this revelation without ever having heard any of these things from any other man, I was overwhelmed in my mind for many months and am still amazed at the perfection of these numbers and these symbols. For example, look at this verse, notice a very intriguing number pops up in relation to the Bride of Christ, 144. Read the verse again and notice that all of the 12's are totaling up to 144. Now, if you will remember and I shall not get into my revelation of the 144,000 in this book (*Order my book: The 144,000 for a detailed explanation*) However, suffice it to say, there is no irony here, this is not just chance numbers, these are all divine numbers in Gods numerology of the Bible. So, here we have the church being measured up to 144. Take a moment and find out the square root of 144 and you will one again find the divine number of twelve (12)! Twelve (12) multiplied by twelve (12) or in other words twelve (12) to the absolute highest power that you can take it to is 144,000 or 144. Anytime you see 144, you are seeing a number that represents a group of people under absolute obedience and operating fully in the divine government of God. Twelve is the number of Divine Government and those who have fully submitted to that government are being measured here as the 144.

This number 144 is the "*measure of a man*" but not just any man. Please read the verse carefully, this 144 is the number of the man that is "of the angel" or "belongs to the angel." The word "of" there is the word "ek" in Greek which means "out of or from" The man who has measured up to the 144 measure is the man who is fully owned by the angel and literally flows from the angel. Who is the angel? Oh the precious Word will interpret itself for you.

### **Rev 8:3**

***And another angel came and stood at the altar having a golden censer and there was given to him much incense that he should offer it with the prayers of all the saints upon the golden altar which was before the throne.***

The Angel of Yahweh throughout the Old Testament was the Lord Jesus Christ and in this verse, he alone intercedes for the saints before the throne of God. The Angel is Christ. As you and I measure into his full statute of 12 and walk in the spirit of 3 then we are indeed the man who is “of the angel.”

### **Rev 21:18**

***And the construction of the wall was of jasper and the city was pure gold, like unto clear glass.***

Now you will begin to see the mentioning of gold when John speaks of this city, this new Jerusalem. Of course he is speaking of the symbol of Gold and what that symbol always represents in the Word of God. You will remember that the ark of the Covenant has the covered in pure Gold, why because the holiness of God is always represented with this symbol, gold. Scriptures tell us that when God has tried the church in the furnace of afflictions that we shall then come forth as pure gold. All of the instruments of the house of God which you and I are that house, all the instruments must be purified and sanctified and cleansed by the fire of God. John saw a holy church, a church of pure gold. Earlier in this book of Revelation in chapter 3:18 “I counsel thee buy of me gold tried in the fire . . .that thou mayest be clothed” God wants his church adorned in the tapestries of gold. We cannot qualify for the golden city until we have become golden ourselves. Why did he say that this gold was like clear glass? Because beloved, glass is nothing more than sand that has been burned in the fire. The Church of Jesus Christ is that beautiful sea of crystal before the throne of God, she has been burned in the fire and become as glass when it has been formed from the burning of the

sand. When God through the ministry of Satan has tried his church she will shine forth in her glory as the golden city of God.

**Rev 21:19**

*And the foundations of the wall of the city were garnished with all manner of precious stones: the first foundation was jasper ; the second sapphire; the third a chalcedony; the fourth, an emeralds; the fifth, sardonyx the sixth; sardius; the seventh, crysolyte; the eighth, beryl; the ninth, a topaz; the tenth, a crysopasus; the eleventh, a jacinth; the twelvth, an amethyst.*

What a wonder as I began diving into the spiritual meaning of this verse. All of these precious stones are identically mentioned in Ezekiel 28:13 as the very same stones that Satan once wore in his garments in the heavenlies. Evidently all of those stones were taken from him and given to the bride as her wedding stones. Ah, each stone has a meaning and each stone is also mentioned one other place in the scriptures, in the breastplate of the High Priest of Israel as recorded in Exodus 28:15-30. You will be amazed to find the exact same twelve stones in the Church of the Old Testament and now here they are adoring the Church of the New Testament? Coincidence? I think not, I think I see a pattern in these stones. Upon God's holy church, these stones originally worn by Satan himself are given to adorn the Bride

## THE GARDEN OF EDEN

**THE PIONEERS OF OUR SPECIES; ADAM AND EVE WERE THE TWO MOST BLESSED HUMANS THAT EVER LIVED.** They lived on a perfect earth with a perfect environment, perfect health and perfect harmony among even the animals. They never worked by the sweat of their brow, they had absolutely no stress as all of their needs were supplied by the abundance of the earth. They never feared storms as the earth never saw rain storms but rather each day there was a beautiful mist of water that watered the grounds much like the modern yards of the wealthy,

and as a result the most beautiful manicured gardens are easily maintained no matter the lack of rain. Adam and Eve had abundant and healthy food; their lives were heavenly. Their existence was heavenly as they enjoyed the pristine and crystallized waterfalls, the descending sunsets, the northern lights, the tranquil weather and even the beautiful lions and horses that walked among them with no fear. There was no murder in their world, there was no theft, there was no sexual immorality, a broken home couldn't be found, hospitals had no purpose, mothers didn't die when children were young from the ravages of cancer, fathers didn't send their sons to war. Each day they spent in fellowship with their Father as they learned His laws, His ways and His mind. They literally ruled the earth, they were the King and Queen of this planet.

Whatever their desires were it was always met as they were literally the divinely created son and daughter of God. Now, may I tell you the strangest thing you have ever heard? Many people who read this book seem to think that Heaven is better than what I just described to you. However, that's absolutely impossible as God created the earth and said it was *very good*. This earth was Gods ultimate creation in the visible and manifest world. Now, here's the question that demands an answer from you. If you could live in such a place, a world without war, disease, sickness, death, orphans, murder, stress, pain, heartache. . . Would you call that place heavenly?

That's exactly what this earth was in its genesis, Heaven! I state emphatically as I shall prove in this chapter that this planet shall soon be released from the curse placed on her by Adams sin and she shall be completely restored to her Edenistic qualities and you have an invitation from God himself, the Almighty Yahweh to live eternally in this wonderful world tomorrow. When God created this earth, His word says He "*established it forever.*"

---

## THE END OF THE WORLD

There shall never be an “*end of the world*” as we so often fear and preach. Actually, there will be an end of the “age” or there shall be an end of calculated time. However, the earth, the planets and all of God’s vast universe wasn’t created to be obliterated and destroyed and brought to an end. The host of Heaven has existed possibly billions of years and there’s never been one second of chaos but rather perfect order and perfect timing.

Actually, it is this perfect timing and uniformity that proves the absurdity of the atheist, it proves the illogicality of the ignorant when they pour out from convoluted minds their vials of vomit and call it reasonable thinking, they call it education. Reasonable thinking demands that you consider the facts and here is the facts, I shall illustrate the facts with the following story.

Having bought the most perfect individual timepiece available, Mr. Herbert Armstrong recounts his discovery in his book “*Does God Exist.*” He tells that his perfect watch known as the *railroad watch* to his amazement did not keep perfect time and had to be adjusted by a second or two every week. This adjustment was made according to the master clock of his city, the master clock of any town is always found at Western Union. However, even the master clock of the town doesn’t keep perfect time; once or twice a week it must be adjusted by a second or two to be in accordance with the national clock located in Washington D.C. at the Naval observatory. However, that great national clock is not accurate either and it must be adjusted in a similar fashion. What is it measured by? By none other than the master clock of the universe that has never been off by even a millisecond,

the heavenly bodies which are studied by the astronomers; the sun has never risen one second past its due date; winter has never lasted a day longer than its scheduled time; the stars have never failed to flicker and light up the darkened path of weary travelers. Now, to the enlightened thinkers among us who deny the existence of a Creator; if you truly pride yourself on deep thinking you must think about the perfection of the ultimate design, the universe. You in fact present the idea of a design with no designer, a creation with no creator, shall you soon postulate the idea of a child with no human seed?

I should like to present this scenario to the wisest among us; the freethinker, the non religionist, the enlightened ones. Would you believe me if I told you that in fact this perfect watch that Mr. Armstrong purchased, known for it's preciseness and perfection was actually not made in a factory after all? In fact, it was not designed, nor was it planned or put together by skilled time technicians at all, the truth is it just sort of happened over time, it evolved on it's own. The iron ore just eventually ascended from the depths of the earth, refined itself, formed and shaped itself. The silicon came from the earth over a few million years and turned into glass by some sort of big bang. All of the delicate little mechanisms, the cogs, the wheels just assembled themselves by some unforeseen force of nature, wound themselves up and started keeping time. Do you believe my story? Of course you don't and you question why we dont believe yours? Perish these thoughts of ludicrousness! Rather than a freethinker these blinded people are simply non thinkers, rather than enlightened they are walking in the penumbra of psychotic imbalance.

Is there anyone reading this book right now that wouldn't desire to live in God's Eden? Yet when these truths are explained people have such a hard time fathoming a "*Heaven on Earth*" and yet they fail to realize that's exactly what earth was in it's beginning, Heavenly.

In this chapter you will learn amazing biblical truths that will tran-

sition your entire paradigm and radically change your entire mind-set concerning the true destiny of the Sons of God. Sadly, many people do not want the truth, they prefer myths and madness rather than God's holy Word, for reasons I shall never understand.

What will our ministry be in this wonderful coming reign of Jesus Christ and what will the earth be like and who shall be living during this time and where shall the government be established? Countless questions will be answered shortly as together we study the scriptures.

---

## ALL WRONGS PUT TO RIGHTS

Everything that is wrong with the earth today shall soon be changed and made right: According to Paul's writing's this blessed planet is in tears, in anguish, in bitter pain (*metaphorically of course*) awaiting the time of deliverance when her doctors shall arrive and heal her. Who shall these doctors be? The sons of God who make up the royal and ruling family of God, the actual God family (*isn't it ironic how semantics offend us, the God family is the exact same thing as the family of God, how we always fear the unknown or the nontraditional*); they shall have power, they shall be the leaves that bring healing to the nations (REV 22:2); in them shall be the river of life that pours forth and heals the waters of the nations or the earth.

### ***Romans 8:22***

***For we know that the whole creation groaneth and travaileth in pain together until now.***

If we are going to be removed from the earth and delivered to the planet of Heaven and telling this world goodbye then why would the earth be awaiting its deliverance? If destruction is her lot then why does Paul teach about the time when ***“the creation itself shall be de-***

*livered from the bondage of corruption*”? This corruption spoken of is the curse of sin and it’s wages, death. Paul knows full well the future ministry of the sons of God, he understand that our inheritance, the inheritance of the meek is “*the earth*” and as a result it will be you and I that brings the needed deliverance from corruption when we are resurrected and chosen to rule this planet at the side of Christ.

All of the following turpitudes shall soon be eradicated.

- GREED
- PREJUDICE
- CORRUPTION
- FINANCIAL INEQUALITY
- SICKNESS
- BROKEN FAMILIES
- WAR AND DEATH.

All of these calamities of life that I’ve mentioned has all been caused by one thing; Human leadership! Human leaders are selfish and operate under Satan’s sway of selfishness and “*me first*” they all live by the “*way of get*” rather than the “*way of give.*” In order for all of these ills to be removed from the earth first Satan must be bound; his invisible influence must be destroyed from the earth and then secondly all human leadership must be removed and replaced by the rulership of truly born again sons of God who have conquered their humanity and been translated into the spiritual family of God by their resurrection. All of these necessary changes will take place as told in the book of Revelation and the book of Daniel.

First, Satan will be bound during this one thousand year reign of Christ and as a result his mental sway over the nations will be destroyed and then we read

*Daniel 2:44*

*“In the days of those kings (governments) the God of Heaven will set up a kingdom (government). It will crush and put an end to all these man made governments and of this government there shall never be an end.*

My Lord, if that doesn't give you spiritual stimulation and cause you to leap for joy in anticipation of this great Day of the Lord, you should be concerned about your spiritual well-being. We just read in Daniel that all human governments or kings will be replaced by the spiritual and heavenly kingdom of God. Remember that the word **government** is not just a platitude or just a mystical word; it's a literal kingdom that consist of literal government officials who shall reign and rule over a literal earthly government that replaces all human government. Only with the removal of human government can Heaven come to earth because as Paul makes clear in his Apostolic teaching **“Flesh and Blood cannot inherit the kingdom of God”** Are you still flesh and blood? Then at this moment in Gods plan it is not time for you to inherit the government of God, that can only happen when you are no longer flesh and blood but when you've been raised a spirit body.

The sons of God, you and I , who overcame in this life will be the trusted members of that future government which replace all the governments of this earth, oh what joy that brings to the converted Spirit of the conceived Sons of God who are waiting their full adoption at the resurrection. This replacing of human government with heavenly government will take care of the first problem mentioned earlier, Greed. The reason that God can be assured that greed will never threaten his Kingdom is this: His government of spiritually born sons, they overcame greed in their earthly walk. They grew so strong in the Spirit that they overcame that evil influence in their life and at the judgement they will counted worthy to rule when God looks inside of their heart and sees if the motive of greed was fully overcome.

Did you put others ahead of you? Did you visit the fatherless and the widows? Did you allow yourself to be walked on? Did you take the wrong even when everyone knew you were right? All you were doing was practicing for your new job in Gods government.

***Psalms 37:10***

***Just a little while longer and the wicked shall be no more.***

***Psalms 37:28***

***Jehovah is a lover of justice and he will not leave his loyal ones. To time indefinite they will certainly be guarded.***

The above verse states clearly that God loves justice. For the millions of people on this planet who cannot find justice, God has a plan for them. God will bring true justice to the earth in His kingdom. Man will no longer be judged prematurely by feeble judges who cannot by human ability see the intent of the heart, the motives. However, Jesus will know with those eyes of fire what you truly intended to do or be. He will judge you fairly, not as men judge you.

---

## SATAN'S BOUND

Before any legitimate government can take over and have true authority over the people; the current ruler, the current head of state must be removed by force or by agreement. God is a legalist, he created the laws that govern nature, society and physics. One of those laws is the laws of authority. At this moment in time, this earth is Satan's. Jesus recognizes this, sadly the church doesn't. Jesus tells his tormentors that he is allowing himself to be crucified because he understands the times He understood that this is the age of darkness (LUKE 22:53)

He acknowledged Satan's right to rule among men when Satan told him on the mountain of temptation that the kingdoms of this world had been given unto him by God. This is the very reason that men are deceived and cannot receive salvation without a very special gift of grace bringing the conviction power of God upon them. Satan's influence is over the mind just as Christ desires for his influence to be. How does Satan control the minds of the masses? The scriptures teach us the technique that Satan uses; he controls the emotions and the minds by exerting his thoughts, his selfishness into the human race by having tainted the bloodline of the perfect sons of God and more importantly by controlling the air. One of the official titles of his monarchy is "*PRINCE OF THE POWER OF THE AIR.*"

Just as Prince Charles is the "*Prince of Wales*" that simply denotes Wales as one of his realms of authority. With Satan, not only has he authority of the flesh which he inculcated with his vile DNA and traits but he has also has authority over the air which controls the minds of the masses, their thoughts and their emotions. He can sway the thoughts and emotions of entire nations. Simply remember in your mind, the hatred that filled the Germans or the sexual promiscuity of the French or the greed of the Americans. This is all within his authority and his supernatural power. Ephesians 2:2 demands your attention as it will fully explain the ways of Satan's power and why he must be bound from exerting his power of mental control in order for the Lords Day to be accomplished, in order for the masses to "change their minds" about Christ and all of them accept him as Lord.

Do you remember how easy it was for you to accept Christ and yet so difficult for your neighbor or relative? Sadly, for them they did not receive the grace or the call to receive Christ in this age but in the next age, the final age, all men shall receive what you received; deception shall be removed from all men.

*Ephesians 2:2*

*Wherein in times past ye walked according to the course of this world, according to the prince of the power of the air, the spirit that now worketh in the children of disobedience.*

*Ephesians 2:3*

*Among who also we all had our conversation in times past in the lust of the flesh; fulfilling the desires of the flesh and the mind; and were by nature the children of wrath (Satan) even as others.*

This passage is loaded with a cornucopia of revelation and wonder. First, how thankful we should be for the words “*in times past.*” What a joy for the elect to be able to say those words. However, millions around you cannot give the same testimony for they are still living in the NOW what you were living “in times past.”

---

## ZOMBIES AMONG THE LIVING

You walked in the zombie march, in perfect step with the other masses of blinded and dead humanity headed for the death chamber laughing all the way. You walked according to the “*course of this world.*” According to “the King who has influence over the atmospheric region.” How are moods controlled? Have you ever hear someone say “*there’s just something in the air*” when they were depressed or happy? It’s always blamed on the air and rightly so for in the atmospheric region is where the sound waves are carried and on those sound waves, on those frequencies is music, videos, voices and countless opinions and Satan influences and has authority over this region of earth. Only those who have had their minds changed and converted and brought under subjection to the Word of God can counter those strong atmospheric changes which brings, depression, doubt, anger and various other emotions.

Verse three (3) again demonstrates the areas of Satan's influence, the flesh and the mind. Here is the job of the Overcomer; take dominion away from Satan over your flesh and your mind and you now qualify for the Kingdom of God.

For those living in this church age this changing of the mind must be done against the odds. The odds are stacked against you; you are a stranger among this worlds populace; you don't walk according to their course; you don't believe all that their entertainers try to throw at you; You don't believe all their newscast; You don't fit into all their molds; You don't enjoy their games; You don't like their songs; You don't dress like them; You are out of sync with them and as a result you are no longer a zombi, you are no longer dead to sin. However, it's a sad state when the zombies call the living, strange.

So, you've been called to overcome and prepare now for the day when these zombies will have an awakening. The one who has held them in deception will be bound outside of the earths atmosphere and his influence will cease and all men, all flesh will receive the Holy Spirit which will give them all new hearts and new minds and they shall all bow down and confess Christ. After the thousand year of Gods Sabbath rest Satan will be allowed to bring his influence back to earth to test all of those who were given the gift of the Holy Spirit so freely, to test their experience and see if they can now live the same life you lived before them and if they can Overcome; upon doing so Satan's ministry will end and he will be banished along with those who failed his final testing.

---

## THE TRUE GOSPEL OF CHRIST

All preachers claim to be preaching the gospel of Jesus Christ but

in actuality they are preaching the gospel “about” Jesus Christ rather than the actual message Jesus preached. In our days we hear the man Christ Jesus preached about, we hear about his life, his death, his story, his miracles, his death, his resurrection but very seldom do we hear his gospel or his message. He didn’t tell us to preach about Him, we’re commanded to preach WHAT HE PREACHED. Now, what did Jesus preach? Did He preach about Heaven? Did He preach about retiring for eternity in some distant place? Did He preach about how to live you best life now? Did He preach about how to get rich, stay rich and always be rich? Did he preach that His kingdom had already come and was now filling the hearts of believers? Did he preach about the importance of being Spirit filled and speaking in tongues? Did he preach about the rapture of the church? No, an emphatic No! The message Jesus preached had one over-riding them, the coming Kingdom on earth. For proof of this statement let’s look at Marks writing;

***Mark 1:1***

***The beginning of the gospel (message) of Jesus Christ . . . Now after that John was put into prison, Jesus came into Galilee preaching..... The GOSPEL OF THE KINGDOM OF GOD and saying, the time if fulfilled and the Kingdom of God is at hand, repent ye and believe the gospel. Mark 1:14-15***

What gospel or good news message are we commanded to preach? The soon coming Kingdom or government of God to the earth. This is what he sent out seventy men preaching and he commanded them to preach one message and one message only, The Kingdom of God (LUKE 10:9). He sent the Apostles to preach only one message, The Kingdom of God. (LUKE 9:1-2). I am completely convinced that before this revelation that I truly had no idea of my purpose for preaching. Sadly, I felt my job was to win the lost by preaching to them about Heaven and Hell, I was clueless to the true gospel of the soon coming Kingdom. Now, I realize that my true job as a true minister in God’s true church is to train, teach and equip the members of his Dream

Team for their role in His future government, his soon coming world wide second harvest of souls, a revival of unimaginable proportions; and to prepare them now to qualify for those places of authority in the Kingdom of God. Again, the minister is not called to win the lost he is called to teach the church. God himself will draw all men unto him in the appointed times and when he does one of his children will be there to bring the gospel of the Kingdom to that person at just the right time. Right now God is building a *Dream Team* and he is equipping them and calling them into higher living, overcoming lifestyles and he is purging them. At this moment He is not saving the world as is quite evident by simply looking around. All that God is saving at this moment in time as will be proven in the next and final chapter is the elect, the predestined Bride who shall bring the nations to Him during the millennium reign. This will be the children that the bride produces for her groom during their millennium honeymoon. Oh the majesty of it all! You must read the final chapter of my book to fully understand why God is not calling all men to repentance in our day, only a few for a very specific purpose, only those who he has predestined to be in His government of Overcomers. Doesn't the scriptures say that "***Today is THE day of salvation***"? No it does not; the next chapter will prove to you the error in that translation.

Before Jesus was ascended into Heaven what was the very last subject that he once again dealt with before he left? Why of course, the Kingdom of God that would soon come to the earth (ACTS 1:3). The Apostle Paul preached on the Kingdom of God (ACTS 19:8; 20:25; 28:23,31) and do you realize that God Almighty pronounced a curse on any man or angel that preached any other gospel that wasn't concerning the coming Kingdom of God to the earth. (GALATIANS 1:8-9). Remember this well, the Kingdom age comes after the Church age, we are NOT in the Kingdom of God right now, we are currently in the Church of God and very soon the Church of God after her purging, training and schooling will be promoted into her position as the rulers of the Kingdom of God, Daniel said that the Kingdom was given to the

saints.

Dear saint of God you must become fully convinced in your own mind after reading the plethora of scriptures presented in this book of the importance of understanding the coming Kingdom of God to the earth. Without this understanding you are missing the greatest revelation that gives you the true understanding of your purpose in this life. Jesus Christ when he returns in your lifetime He is not coming as Saviour; He did that on his first of a two part series. He is coming as King of all Kings and guess what he will be doing, ruling this earth! Do you really fathom this? How can you even think for a second that Heaven is your destiny when it's plain that the earth is where he is setting up his kingdom? You can read in Revelation 19:11-16 that He is coming to RULE ALL NATIONS. Then concurrently Daniel verifies this fact again in his writing when he says that Christ kingdom will consume all of the worlds governments. Additionally we read in Revelation 11:15 that the kingdoms of the world are become the kingdoms of our Lord and of His Christ and He shall reign forever and ever! How long will his reign be? Forever! Who will be reigning with Him? You! And how long will you be reigning? Forever! So, when will you have time to go to Heaven? You Wont! Now, do you see the picture? Heaven is coming Here! There will be millions of years of creative work among the universe and the galaxies for the sons of God to be part of. Remember, our family business is the business of creation; we are creators with God and in our new bodies we shall inherit our place along side Jesus Christ; when "all things" the entire universe will be given to us to rule and reign forever and ever.

The reason that so many people cannot understand this thought is because they fail to realize that the Kingdom of God is a literal government and that shall ruler over literal people on a literal earth. Mark these facts well and your mind will began perceiving the beauty of this marvelous truth. Just as the Chaldean empire and the Roman empire were literal governments, so is the Christian empire! When

Jesus stood before Pilate he was asked by Pilate “*Are you a King*” and Jesus stated his entire life purpose and the entirety of his gospel in these words “*For this purpose was I born*” (JOHN 18:36,37) Jesus continues to explain to Pilate that He indeed had a government or a Kingdom but that His kingdom was not for this age or this period of time. Jesus knew full well unlike many preachers today that His kingdom had an appointed time or an appointed day and that until that time was fulfilled that his Kingdom would remain an intangible, invisible Kingdom.

---

## PRACTICALLY, HOW DOES THE CHANGE IN GOVERNMENTS TAKE PLACE?

The inevitable question that comes to the mind is, How? How is this literal kingdom going to come in a moment and make everything better? How is Utopia going to take over the earth? Your Bible has all the answers, sadly no one has ever taken the time to teach them to you. You are about to read some of the most amazing scriptures that with unfolding majesty will open the eyes of your understanding and cause you to hunger for even more truth; the more your hunger, the more He will feed you! To understand how all of this will be accomplished is to remember that just like God implemented stages of development in the re-creation of the earth and in his dealings with man over six-thousand (6,000) years he will also bring His kingdom in incrementally, step by step.

Before we can understand the works of Christ in his future earthly kingdom we must understand where He is now and what He is doing. He is actually in that spiritual dimension called Heaven and he is waiting for His throne and Kingdom to be given unto him. Remember at this moment He has not yet been given His kingdom, He

is serving in the role of High Priest, not King of Kings, that's a future role that he will play. Remember, in his parable about the nobleman in Luke 19, the nobleman goes to the father and stays gone a long time in order to receive his kingdom. Also, in Daniel the Kingdom is not given to Christ until the second coming. The price has been paid, the qualifications have been met and as soon as His government is prepared to rule then he will return with His government to Mt. Zion and take over the nations of the world.

The Psalmist David said He is waiting until all his enemies become his footstool. In the book of Acts we see that Jesus is waiting for the ***“restitution of all things.”*** (ACTS 3:19-21). Interestingly enough the word ***restoration*** means *“returning to a former condition”* Jesus is waiting for the time when he will come and restore all things. Now, if Heaven is the goal then why even waste His time restoring the earth? Why even bring Utopia back if we are leaving the earth? Do you see the absurdity of this entire “escaping and flying away” message? Sadly, while we're flying away to Christ, he will be coming this way, that sort of defeats the purpose doesn't it? When he comes to set up his Kingdom it will be the restitution of ALL THINGS. Peace, prosperity, joy and liberty and justice will all be restored to the earth.

---

## NO FLESH SAVED

Why is there a certain time that he must return? Because if Christ does not return man will completely annihilate himself with weapons of mass destruction. The purpose of Christ next coming is to keep a portion of humanity (*a remnant*) alive before every human is destroyed by the inventions of men. If Christ does not return to restore all things then men would be obliterated and there would be

**“no flesh saved or kept alive.”**<sup>(MATT 24:22)</sup> At the very moment in the soon coming World War III between the Muslim countries and the Christian nations there will come a point when the nations of the world who have stockpiled these weapons of death for many years will be forced to begin obliterating mankind in death and destruction that your mind cannot fathom. The deaths in World War II will pale in comparison to the deaths of this next war with hundreds of thousands killed at one time. At the very moment when nearly two-thirds of humanity has been obliterated and the rest of the world is begging for deliverance from someone, from somewhere, that deliverance will come in the eastern skies.

He will appear as King of all these fighting kings on the earth. When he first appears he will be treading the winepress of his wrath and he shall rule with a “rod of iron.” (REV 19:15; 12:5). Have you ever taken time to question what that means? What is a rod of iron? A demonstration of power and military might. He is coming to stop the greed, the human suffering, the poverty, the diseases, the pain, the tears; He will intervene because we called for him. He will shorten those days for the elects sake, you and I! He will literally step into earths affairs because the elect would be destroyed if he didn't. *(As a an interesting side note; if we have been in a secret rapture before all this happens then why would he need to shorten the days for our sakes)* There wouldn't be a man of His creation left. The nations will be begging for food, for help, for pity and no one will hear them. His coming will usher in world peace. It is no accident that in every beauty pageant, in every newscast everyone is simply wanting world peace. There's a hunger in the hearts of men for peace and this desire is placed there by God for only the prince of Peace can bring man his true hearts desire.

Even though Christ is coming to restore the earth and help mankind and even though he's coming for our salvation and as our God; just like children, the wicked will not recognize it as such. It would

be interesting to note here the findings of a recent article in a leading weekly newspaper here in America. They stated “*the once optimistic hope of Americans for a well ordered and stable world is fading. Rather than improving as once predicted, conditions are worsening. The prevailing feeling is that these conditions are to the point of being unable to be solved except for a strong hand from someplace.*” Did you read that last line” ***A strong hand from someplace***”! The nations are shaking, the people are worried, there is an undercurrent of fear that things are about to explode on the world markets and in the worlds militaries. The silent volcano of human greed is churning and bubbling in the inferno of egos and in the minds of maniacs. Ladies and gentleman, that “*strong hand from somewhere*” is waiting for the moment when he must “***shorten the day.***” What days? The six days of man! That allotted time of man, the six days or the six thousand years that are slated to expire during this century and the Word says that God will not allow the full length of those days to be completed because if he did there would be no flesh left alive or saved on the planet. So, for those who are waiting for the completion of the sixth day to serve the Lord, you fail to realize that before that sixth day is completed He’s going to shorten the work for the elects sake.

When Christ returns to save the nations, man will be true to his rebellious nature and once again reject Christ initially. Just as a child will get angry when a parent is trying to intervene for the child’s own good, the child is too selfish to see the intent of the parents, all he sees is the Strong Hand of authority and resents that authority. The nations will be the same way, they will resent Christ! (REV 11:15, 11:18). We read where military forces will attempt to fight him as they will assume him to be some type of alien invader; the very reason why Satan has inspired Hollywood to make so many space alien movies to condition the minds of men about the possibility of alien invasion. These governments of men will actually attempt to tell the people that they are in fact being attacked when Christ returns and they will rise and fight against Him. . .feel free to read it in your own Bible (REV

17:14) This third World War will be centered around Jerusalem. If you do not believe this, simply listen to the news lately. All news events and talks of war are centered around Jerusalem. Jerusalem disappeared off of the map of world interest for nearly a thousand years under the Ottoman and Muslim rule, then in this century reappears to prominence. Coincidence? Of all the nations of the world, why Jerusalem? That insignificant piece of land should not be so desperately desired. It has no wealth, it has no oil, it has no gold and yet it's the most desired real estate in the world and the next world war will be centered around Jerusalem. . . .feel free to read it in your own Bible (ZECHARIAH 14:1-2) Now notice that in supernatural power and with a "rod of Iron" Christ will demonstrate to the world the magnanimity of His power as he destroys those nations that rise against him in Zechariah 14:3. In this second coming He is not coming as the little lamb but rather the roaring Lion. With the opening of His mouth the nations will tremble, the earth will convulse and he will totally annihilate his enemies, they will become His footstool (REVELATION 17:14). The he shall stand with his government that he just previously resurrected from the graves, they met Him in the air as he now joins with them and sets His feet on the Mount of Olives and prepares to set up His government after destroying the human governments. (ZECHARIAH 14:4) Remember when Jesus stressed to us to "*pray for the peace of Jerusalem*"? That command always baffled me because Jerusalem cannot have peace until her Messiah comes. With that understood we see now what Christ was really trying to tell us. When you pray for the peace of Jerusalem you are actually praying for the hastening of the second coming.

---

## THE ROD OF IRON & CHRIST RIGHT TO RULE

There is worldwide crisis in leadership! Why can't leaders lead? Why can't great empires such as the British, the Roman, The Grecian empires all last forever? Why is it a law of reciprocity that they all fail? Why is it a fact that America must fall? Because of the inability of leaders to rule in righteousness! Beneath the cloaked layers of political niceness there is a very selfish nature in leaders who seek the top for their own purposes. Their inability to live and rule with righteousness leads to the fall of all human ruled empires. Remember the words of sacred scriptures "***Righteousness exalteth a nation***" when a nation is led by true and righteous character it could be a utopian nation but at last there is none righteous. The gospel that I preach, the good news that I serve as witness of is this: Lift up your eyes unto the hills from whence cometh your help because our redemption is drawing near, a righteous King is coming with ten thousand of his saints who have all learned the ways of righteousness while living on the earth and we shall all be governed by true righteousness. (ISAIAH 11:1-5)

For Christ to rule he must have the legitimate authority to do so. For him to rule over men he must have first been a man. For him to bind Satan he must have first conquered Satan. For him to judge the flesh he must have first conquered the flesh. For him to judge disobedience he must have first been obedient. He qualifies in all these areas. Finally, for him to end death he must have first conquered death. The only way to replace a king is to remove a king! His authority is earned; he came to our world the first time and earned his stripes, he earned his position of Lion by first becoming the lamb. His authority will be absolute and without question.

#### ***Isaiah 11:4***

***He shall strike the earth with the rod of his mouth, and with the breath of his lips He shall slay the wicked.***

When Christ returns you will see the Lion. He will never take another strip nor another slap in his face. His having done those

things will give him the legitimate authority to rule with force now. The same thing applies to you and I. As we take the wrong in this life as were ridiculed in this life we are earning our right to rule just as Christ did. We can rule because we first served, we served humanity in this period of our existence. Notice carefully the following verse and you will see that this rod of iron isn't only given to Christ.

***Rev 2:26-27***

***He who overcomes will I give power over the nations. . .He shall rule them with a "rod of iron".***

This is the secret as to why we must overcome hatred, revenge, malice and bitterness in this life because when a person has authority to use a rod of iron and that authority is mixed with unrighteousness then evil comes forth. For you to be given this rod of iron to rule the nations with Christ, your character must be the same as his. Never one time will you enjoy using this rod but as Christ servant you will not hesitate to bring order and peace to a chaotic world , you will help Christ in quashing all rebellion. For a perfect example of authority in the wrong hands, in the hands of unrighteousness; a tyrannical Father who has harbors hatred for a step child and uses his authority for the venting of his own anger, the child can have no justice with such authority. Imagine the national leader like Adolf Hitler who has authority but ungodly character, the results speak for themselves. Before granted authority in God's kingdom there must be a complete obedience to His every Word. The motives of the heart must be examined to ensure that His future government will never be rebelled against again. Once your temporary character is changed, your eternal character will always remain what it became in this life.

How did God prepare David to rule and reign? He made him a shepard first. David was not taught to rule as a tyrant but rather as a lover of the flock. This is why God despises tyrannical pastors who abuse the flock because the Pastors are the examples of the Shepard

Kings that he is raising up in the church age to reign on the throne of Christ. Before Christ could carry the title of *King of Kings* he first carried the title *Chief Shepard* (1 PETER 5:4) Those in the government of God will have such a love for the governed that the nations will be healed by the love and care of these Shepard Kings who also function as priest in God's kingdom.

---

## THE TERROR OF THE LORD

Unfortunately, the only language that man understands is power. Sadly, Christ must speak to the masses in that language. Before he can heal them he must hurt them; before he can bind them he must break them. You will see what happens when the armies of the earth gather against him in Rev 17. But we find how he will overcome these armies in the following verse.

### *Zechariah 14:12*

*And this will be the plague wherewith the Lord will smite all the people (armies) that have fought against Jerusalem their flesh shall consume away while they stand upon their feet, and their eyes shall consume away in their holes, and their tongue shall consume away in their mouth.*

Something so terrible will happen for Christ to prove his power and authority over these armies that while they are standing on their feet with the opening of his mouth their flesh will fall off of their bones. Rebellion against Gods ways and Gods laws must be immediately put down for the new government to ascend the throne of world power. At this moment the nations will finally realize the effects of six-thousand years of sin, it's results and their inability to rule themselves. They will recognize the authority of Christ to rule, they

will confess him and they will call him Lord. This will be the greatest revival in world history.

---

## THE BIG MEETUP IN THE SKY

I've been going to Camp meetings and Conventions all my life. There is just something that lives in the memory and never dies about good and godly fellowship among the Bride of Christ. Our meetings are filled with love, anticipation and joy. The music, the voices, the sermons, the altars all find permanent rooms in our houses of memory. The greatest camp meeting of all is upon the church and is to happen very soon. This camp meeting will take place in the air and will never end! We know according to the angels at Jesus ascension it was promised that he would return in clouds just like he left in clouds. In the book of I Thessalonians 4:14-17 we are told that just as He is returning in clouds, the resurrected saints will rise to meet him in those clouds that He is returning on. Those who are still alive will be changed in their DNA structure instantly to be transformed into a spiritual body. While this body will have a human form it will be completely different in it's DNA structure. It will be able to live eternally with no need for blood, air, food or water. While the new Spiritual body can enjoy the taste of food if it so desires as Jesus ate fish after receiving His new body; it will not depend on any of these things for life, the body will be an eternal body. In that body we shall rise with the saints who are in the grave and all together we shall meet the Lord in the air (I THESSALONIANS 4:17). *(If there is a secret pre trib rapture then whats the point in having a resurrection).*

This meeting will take place in the second heaven, not the third Heaven. This will happen before the natural eyes of the entire world,

a sky filled with saints who are all wearing the white robes which denote their status in God's government. Then Christ will do battle with the armies of the world. Then he shall judge His saints and give them all their rewards, their positions and their duties in the Kingdom of God and then everyone shall go to work bringing in the largest harvest of souls that the world has ever seen. According to Zechariah 14:4-5 we shall then descend from the clouds and take possession of the Mount of Olives, Mt. Zion and Jerusalem. These immortal saints (you and I) shall now rule the nations of billions of mortal humans that we will bring unto salvation, at that moment the church age has ended and the kingdom age will have begun. The binding of Satan will happen simultaneously during all of these simultaneous events.

---

## WHAT ABOUT HUMAN NATURE

What will then happen to the instilled human nature at Christ appearing? Old habits will not be automatically removed. However, without deception men will be free to make the only choice, the right choice. So, with Christ coming the very first thing that His government must do is re-educating the masses. All government when they take over a nation they begin first with the schools, re-educating the minds. In the same manner Christ's government will be a government of teachers. Without a deceived mind we will be able to teach all men the ways of God and about His laws and as a result bringing all men to voluntary repentance. Many might wonder, why will men choose Christ then if they didn't now? If you are standing in the garden with a blindfold on and I tell you to move you will possibly not move because you are blinded to the snake at your feet. Even if I scream and beg you to move you may in rebellion decide not to move since you don't see the danger, you don't know about the snake. However, if I remove the blinder what must I do to get you to move at the first

sight of the snake? I could simply take your hand and you would voluntarily move. So it will be with repentance. Once the blinders are gone and man sees how wonderful life is under the government of the immortals all we will have to do is take them by the hand and lead them to the truth.

From the moment of Christ supernatural takeover until the binding of Satan, Gods law shall go froth from Jerusalem and cover the whole earth (ISAIAH 2:3) During this time the curse of the 6,000 years will be ended and all of mankind will no longer be barred from the tree of life in God's Eden. Christ and His team of ministers, His government will begin calling all men to repentance and the rivers of the Holy Spirit (the Sons of God) shall flow out of the New Jerusalem (Zech 14:8). A brand new civilization shall now grip the earth. For the most beautiful scriptural account of this new civilization read these following scriptures;

***Isaiah 2:2-4***

***And it shall come to pass in the last days, that the mountain (government) of the Lord's House (His Sons) shall be established in the tops of the mountains (world governments) and shall be exalted above all the hills (earthly kingdoms) and all nations shall flow unto it. And many people shall go and say, Come ye, and let us go up unto the mountain of the Lord (his government) to the house of the God of Jacob; and he will teach us of his ways, and we shall walk in his paths, for out of Zion (Gods family of sons, his government) shall go forth the law and the word of the Lord from Jerusalem.***

In the next verses should you continue to read you will find the results of these nations learning to live by the Ten Commandments, the laws of God. All wars shall cease to the point that all weapons will be broken down and used for peaceful purposes such as farming and manufacturing. There will finally be world peace, so much so that

even the animals will be free from the atmospheric control of Satan, they will lose their anger and their desire to kill.

***Isaiah 11:6-9***

***The wolf shall also dwell with the lamb, and the leopard shall also lie down with the kid; and the calf and the fatling and the young lion together; and a little child shall lead them. And the cow and the bear shall feed; their young ones shall lie down together (can you imagine this kind of peace?) And the Lion shall eat straw like the ox (no more killing the prey) . . .they shall not hurt nor destroy in all of my holy mountain.***

This will be a world of solved problems. This will be a world like humanity has never known, this will be Heaven! There will be no illiteracy, everyone will be taught the laws of God by the resurrected sons of God who are training right now as you read this book to take their place in that government of teachers and preachers and priest and kings. There will be no poverty anymore, no famine and no starvation. Crime will be decreasing rapidly as people learn the laws of God and as he pours out His Spirit upon the entire population. People will live in honesty, integrity, chastity, kindness and happiness.

---

## TOPOGRAPHICAL CHANGES

Not only will human nature be changed but the earth itself will undergo major changes as it's healed of so many diseases that have plagued it since Adams fall. Imagine for a moment that the earth no longer had any deserts. All of the worlds hunger problems could be solved if not for places like the Saharaa desert with thousands of miles of total wasteland. Imagine if all the Arizona deserts were beautiful farmland providing food for the nations. Jesus Christ with his supernatural power is going to cause all the deserts of earth to cease being a

wasteland and they shall all blossom like a rose, they shall have life.

***Isaiab 35:6-7***

***Then shall the lame man leap as a hart, and the tongue of the dumb sing; for in the wilderness shall waters break out and streams in the desert. And the parched ground shall become a pool and the thirsty land springs of water; in the habitation of jackals where each lay shall be grass with reeds and rushes.***

Did you have any idea that your Bible said these things? Did you ever consider what they actually meant? These scriptures are all foretelling the coming Kingdom of God on the earth.

***Isaiab 35:1-2***

***The wilderness and solitary place shall be glad for them; and the desert shall rejoice and blossom as the rose. It shall blossom abundantly and rejoice even with joy and singing.***

This power to change the earths agricultural landscape will be given to all the sons of God. Not only the land but we shall authority to heal all diseases that still lingers from Satans years of governing the earth. Every crippled shall walk at our touch, every blind eye shall open at our command. Also, the wealth of the world that is hidden beneath the sea shall be reclaimed by the sons of God. The oceans will be reduced in size allowing for the wealth beneath the sea to be discovered. Also, the land reclaimed from the sea will provide for more prosperity.

***Isaiab 11:15***

***And the Lord shall utterly destroy the tongue of the Egyptian sea and with his mighty wind will shake his hand over the river and shall smite it into seven streams and make men go over dryshod.***

---

## A HIGHLY ORGANIZED GOVERNMENT

God created government among even His angels with a hierarchy. God is all about government and our obedience to authority. There's a reason for this; because His government will one day rule the earth. Once He has established His rule with a rod of iron he will then begin educating the world in His laws and His ways. It is important to understand that he will not be ruling the nations alone just as He doesn't rule the heavens alone, he uses his angels.

His Kingdom will include those who have positions of authority over one city, five cities, ten cities, nations and land masses. For that government to function perfectly all human traits of greed and selfishness must be removed entirely. This can only happen with born again Sons of God who passed their test while in this life. This will be a government of church and state being totally united. As a matter of fact we are shown that during this millennium reign everyone will be honoring God's Sabbaths, especially the weekly sabbath. My question to the so-called Christian churches, if God loved His sabbath in the Old Testament and we are going to be keeping His Sabbath for all eternity then why doesn't He care about His sabbath in our day? Why would He discontinue what shall continue forever?

Another thing that shall continue during the millenium will be the keeping of God's Holy Days and His festivals. I will dare say that you are about to arrive at the climatic chapter of this book where you will be taught one of the most amazing revelation of my lifetime, the Feast of Israel. Until you understand the following lesson and the meaning of the Feast of Israel then you are quite possibly clueless as I was as to Gods total plan for the ages. In the wonderful world tomorrow, in the Kingdom of God you and I will be keeping all of Gods Sabbaths

as Isaiah, Jeremiah, Micah, Daniel and Ezekiel all describe. However, the Feast of Israel will be taught to everyone during the Lords Day and everyone will keep these Feast. So, it is incumbent upon you to understand what you will be doing in the Lords Day by beginning to learn their meanings and even practice their keeping in this age that we now live in.
